Re: Docket #2011-47-WS

Dear Sir or Madam:

As a resident and member of the Mill Creek Falls Homeowners Association, Mill Creek Falls being a community of 398 home sites located within the 29710 area zip code in Lake Wylie, SC, I am writing to you to object to Docket #2011-470 WS, the Application of Carolina Water Service, Inc. for Approval of an Increase in its Rate for Water and Sewer Services Provided to All of Its Service Areas in South Carolina.

We feel that a rate increase of 80% is not only unnecessary, but in this age of overall inflation more than unreasonable.

We ask that the Public Service Commission of South Carolina do its duty for the public it represents and deny this rate increase.

Our Board of Directors has offered send a representative to appear before the Commission if deemed necessary.

Sincerely,

Bill M. & Janice Garner
